Effingham County Community Foundation

Established in 1999, the Effingham County Community Foundation is a collection of funds and resources given by local citizens and organizations to enhance and support the quality of life in Effingham County.

Effingham County Community Foundation's mission is to:

- Manage entrusted resources in a diligent, prudent manner;
- Provide vital community leadership;
- Make effective and strategic grants;
- Serve the individual needs of donors;
- Build sustainable funds for our community today and forever.

Effingham County Community Foundation is one of the founding members of the Southeastern Illinois Community Foundation.

About Endowment Funds

Organizational endowment funds can be created within the Southeastern Illinois Community Foundation to provide permanent support for the ongoing, operational needs of charitable organizations.

By establishing a permanent endowment fund, a nonprofit organization is free to focus on the pursuit of its charitable mission, using the income from the fund for operations and programming needs.

The Southeastern Illinois Community Foundation provides long-term continuity and credibility as well as administrative and technical assistance to member community foundations. Southeastern Illinois Community Foundation provides the professional staff, fund management and investment expertise to minimize the cost and administrative burden of managing a separate community foundation or private foundation.

In addition, the Community Foundation partners with non-profit agencies and their donors in their efforts to facilitate contributions and planned gifts to their endowment fund.

An established endowment fund at a community foundation provides donors with several options to structure a gift to the organization, while maximizing the tax benefits to the donor.

An Organization Endowment Fund can also provide peace of mind for the agency's leadership. Regardless of changes in the agency's staff and Board of Directors, the endowment's purpose and healthy growth will not be affected.

For donors, giving to an Organization Endowment Fund can have many benefits:

- The gift perpetuates the donor's values and priorities.
- Provides tax benefits.
- Makes a significant investment in the future of the organization's sustainability.

Endowment gifts are sometimes the donor's last and largest gift to the organization they care deeply about.

To make a contribution to this agency's endowment fund, please contact the Foundation at:
