Appeals Process

Applicants may submit appeals of the final project rankings. Appeals must be submitted in a letter to the Continuum Lead by [date] at [time]. Late appeals will not be considered.

Submitted appeals must indicate exactly what is being appealed and must clearly demonstrate and explain the reason for the appeal. *Appeals based on challenges to the scoring system or incorrect data supplied to the Ranking Committee will not be considered. Appeals based on mistakes in data entry by the Ranking Committee or errors in applying formulas will be considered.*

The Continuum Board of Directors will review all accepted appeals and will communicate all decisions regarding those appeals by [date]. Board of Directors decisions are FINAL.
